SONGS FROM THE SCREEN AND MORE

This category was created to provide the opportunity to perform repertoire that does not fit into other existing categories. **While overlap can occur, it is strongly recommended that songs that qualify as Musical Theatre or Popular Voice be entered in those categories.** A quick search on the internet will help to clarify if the song is eligible.

To minimize overlap - please refer to the song list/chart on the OMFA website and for song suggestions and as a guideline to repertoire that qualifies for this category.

Please contact the SSAM discipline chair if you have any repertoire questions – mail@omfa.ca

Please share this email with your competitors as they may need guidance when choosing their second song selection.
